

PART SALES RETURNS & EXCHANGE POLICY

We have a seven (7) calendar days' return & exchange policy upon your receipt of the order subject to the following terms & conditions:

- 1) Items sold are not returnable
- 2) However, exchanging the returned item with another item is permissible
- 3) All returns must be resalable and include original invoice
- 4) All packaging must be as original, unmarked and not defaced in any manner
- 5) Items purchased as part of a set or multi-item pack, have to be exchanged as a whole set
- 6) If the product for which you wish to exchange is of a higher price than the original price purchased, then you will be required to top up the balance using cash
- 7) If the product for which you wish to exchange is of a lower price than the original price purchased, the balance will not be refunded
- 8) No refund will be available for the customer should nothing for exchange is fitting
- 9) Restocking fees of RM20 per item is applicable for all returns
- 10) Transportation fees for a single trip of RM20 per item is applicable only for dealers

Please note under this policy, we do not generally permit the return or exchange of:

- 1) Exchange requisitions made after the period (7 calendar days upon receipt of the order)
- 2) Disassembled, installed, brazed or tried parts
- 3) Electrical parts (excluding warranty claims)
- 4) Provided wrong part number or information
- 5) Change of mind
- 6) Item unwanted
- 7) Purchased items from other Daikin dealers

Important customer advice:

- 1) *To prevent any potential problems or returns, it's always best not to accept of the carton or packaging in which your product received is or appears to be damaged*
- 2) *Cancellation is not allowed at the same day of delivery or after invoicing has been processed*
- 3) *If your product becomes defective more than 7 days after receipt, please follow the instructions found in the written Daikin Part Sales Warranty attached*
